SPECIAL NORWEGIAN CRUISE LINE INSTRUCTIONS TO GUESTS

General Documentation and Visa Information

Cruise guests are responsible for obtaining necessary travel documents. Guests of all nationalities should consult with a visa service agency or local embassy/consulate for specific entry requirements, including for passports, visas and other documentation, including vaccinations for infectious diseases for the voyage. For additional information, including travel documentation resources, visit online www.ncl.com/about/required-travel-documentation.

Online Check-In

Due to government requirements (Border Security Act), all guests must provide Norwegian with specific personal information, submitted online no less than 1 day prior to sailing. Failure to fulfill this requirement will result in guests being denied boarding. Pre-cruise registration is mandatory and is available when a booking is paid in full and within 60 or less days (up to 1 day prior) from sailing. Cruise guests can complete Online Check-In by visiting www.ncl.com.

Following this procedure will ensure that guests receive the most accurate, up-to-date information regarding the documentation requirements for their sailing.

Cruise Boarding Documents

After completing the online check-in, the guest or travel partner can print an electronic boarding pass (edocs) to be presented at embarkation. Edocs contain a detailed voyage summary including the cruise ticket, itinerary, and luggage tag(s). When applicable, 'edocs' include air ticket, transfer voucher and /or hotel voucher. Note: It takes 24 - 48 hours after payment is applied for booking to be validated.

Booking Procedure for Guests with Special Medical Needs

Norwegian has a dedicated group of team members who are specifically trained to meet the needs of guests with special requirements. Please kindly advise us of any guests requiring wheelchair accessible staterooms at time of booking via email prior to sailing of guests travelling with any of the following: hearing or vision impaired, require dialysis, pregnancy, allergies, other dietary requirements, medical equipment or needs/requirements as deemed necessary by sailing guest(s). NOTE: Wheelchair accessible staterooms are limited and offered on a first-come, first-served basis. Pregnant guests may sail provided they have not entered the 24th week of pregnancy at time of voyage start date and a doctor's note may be required.

Norwegian Cruise Line: Age Requirements

Infants: Norwegian requires infants be at least 6 months of age at time of sailing. For voyages with 3 or more consecutive days at sea, the infant must be at least 12 months old at time of sailing.

Minors: Defined as an individual less than 18 years of age at time of embarkation.

Young Adults: Defined as an individual between the ages of 18 and 20 at time of embarkation.

Company policy dictates that a passenger under 21 years of age must be accompanied in the same or connecting stateroom by a passenger 21 years of age or older at the time of embarkation. For passengers under the age of 18 traveling with an accompanying adult, who is not the minor's parent or legal guardian, a Parent/Guardian Consent Release Form that authorizes the minor's travel and further authorizes medical treatment in case of an emergency must be delivered to a Norwegian representative at the pier during check-in. Failure to produce this letter at embarkation may result in boarding being denied, with no refund of cruise fare. NOTE: Two people under the age of 21 may travel together in the same stateroom if they are a married couple and provide proof of marriage to a Norwegian representative at the pier before embarkation.

Smoking Policy

Guests may smoke only in designated areas* as follows:

Staterooms: - Guests are not permitted to smoke cigarettes, cigars or pipes in staterooms or on stateroom balconies. Guests who smoke in staterooms or on the stateroom balconies will be assessed a cleaning fee of \$250 per stateroom.

Public Spaces: - Cigarette smoking in the casino is limited to players and is permitted where ashtrays and appropriate signage are displayed. Cigarette, cigar and pipe smoking are permitted in enclosed cigar bars, available on select Norwegian ships. On Norwegian Getaway and Norwegian Breakaway, smoking cigarettes on The Waterfront is permitted on the starboard side where ashtrays and appropriate signage are displayed.

*Electronic cigarettes are not permitted in public areas where there is a no smoking policy enforced.

Liquor Policy

Guests are allowed to bring wine or champagne onboard (no limit). A per-bottle corkage fee will apply, charged to the guest's onboard account at time of embarkation.

Wine & Champagne Policy

Guests are not allowed to bring their own liquor onboard. Liquor that is purchased in duty free shops will be held until the end of the cruise.

Fuel Supplement

Norwegian reserves the right to re-instate a fuel supplement for all guests should the price of light sweet crude oil according to the NYMEX (New York Mercantile Exchange Index) increase above \$65 per barrel.

Service Charges

Our crew is encouraged to work together as a service team and compensated by a combination of salary and incentive programs that the service charge supports. It is our earnest wish that you enjoy your Freestyle Cruise experience and that our entire crew in all areas of the ship will provide you with the standard of service for which Norwegian is known. Therefore, if you have any concerns about the service you receive during your cruise; please bring them to the immediate attention of our reception desk staff on board so that we can address any issues in a timely manner before the cruise is over. There is no charge for children under the age of three.
